

The All-New  
**picanto**

The Power to Surprise

A white Kia Picanto is shown from a front-quarter view, driving on a city street. In the foreground, a woman with long blonde hair, wearing sunglasses, a dark jacket, and black pants, is walking across the road. The background features a city street with trees, buildings, and a traffic light. A semi-transparent white box with a thin black border is overlaid on the top half of the image, containing text.

The All-New Picanto comprises of 5 stylish new models – the '1', '2', '3', 'GT-Line' and the range-topping 'GT-Line S' (pictured here). This range-topping model boasts features including Autonomous Emergency Braking (AEB) which activates the brakes when it detects any risk of collision\*. This model also comes with stylish 16" alloy wheels, a 7" Touchscreen sat nav with RDS and DAB radio and an electric sunroof so you can enjoy fresh air on the move.

## Forever young. Eternally fun.

Young, fun and stylish, the All-New Picanto is full of energy and even more: It's also full of features, smart ways to stay connected, and advanced technologies to keep you safe – making it the perfect balance of youthful spirit and serious driver enjoyment.

The range boasts a superb standard specification including front electric windows, remote central door locking and fold away key, a stylish 3.8" Monochrome audio display with RDS, USB and AUX ports or 7" Touchscreen sat nav on certain grades, automatic headlight control and Hill-start Assist Control – enjoy added support for those tricky hill starts, as this feature will prevent you from rolling backwards.

## A small car with supersized style.

There's a lot to love about the All-New Picanto's sporty design. From dynamic lines to bold styling accents like the new Kia signature grille and bumpers, it's a chic model that's ideal for zipping around the city. Plus, with a choice of 7 exciting body colours to choose from, you can pick the car that's perfect for you.

## Navigation system with 7-inch floating touchscreen

The stylish infotainment system keeps you effortlessly on track with navigation, real-time updates and more.

## Always a step ahead.

The All-New Picanto is loaded with smart ways to keep you in touch, informed and fully connected.

**Sun visor illumination lights (Driver's side only):**  
It's easy to stay stylish with the handy illumination lamps. Simply pull down the sun visor and open the mirror to activate. There are lights at each side of the glass, as well as a striking U-shaped mood light around the sides and bottom.

**Wireless mobile phone charger\*:**  
Enjoy convenient, cable-free charging for compatible smartphones, with the wireless phone charger - the charging pad is at the front of the centre console for easy access.

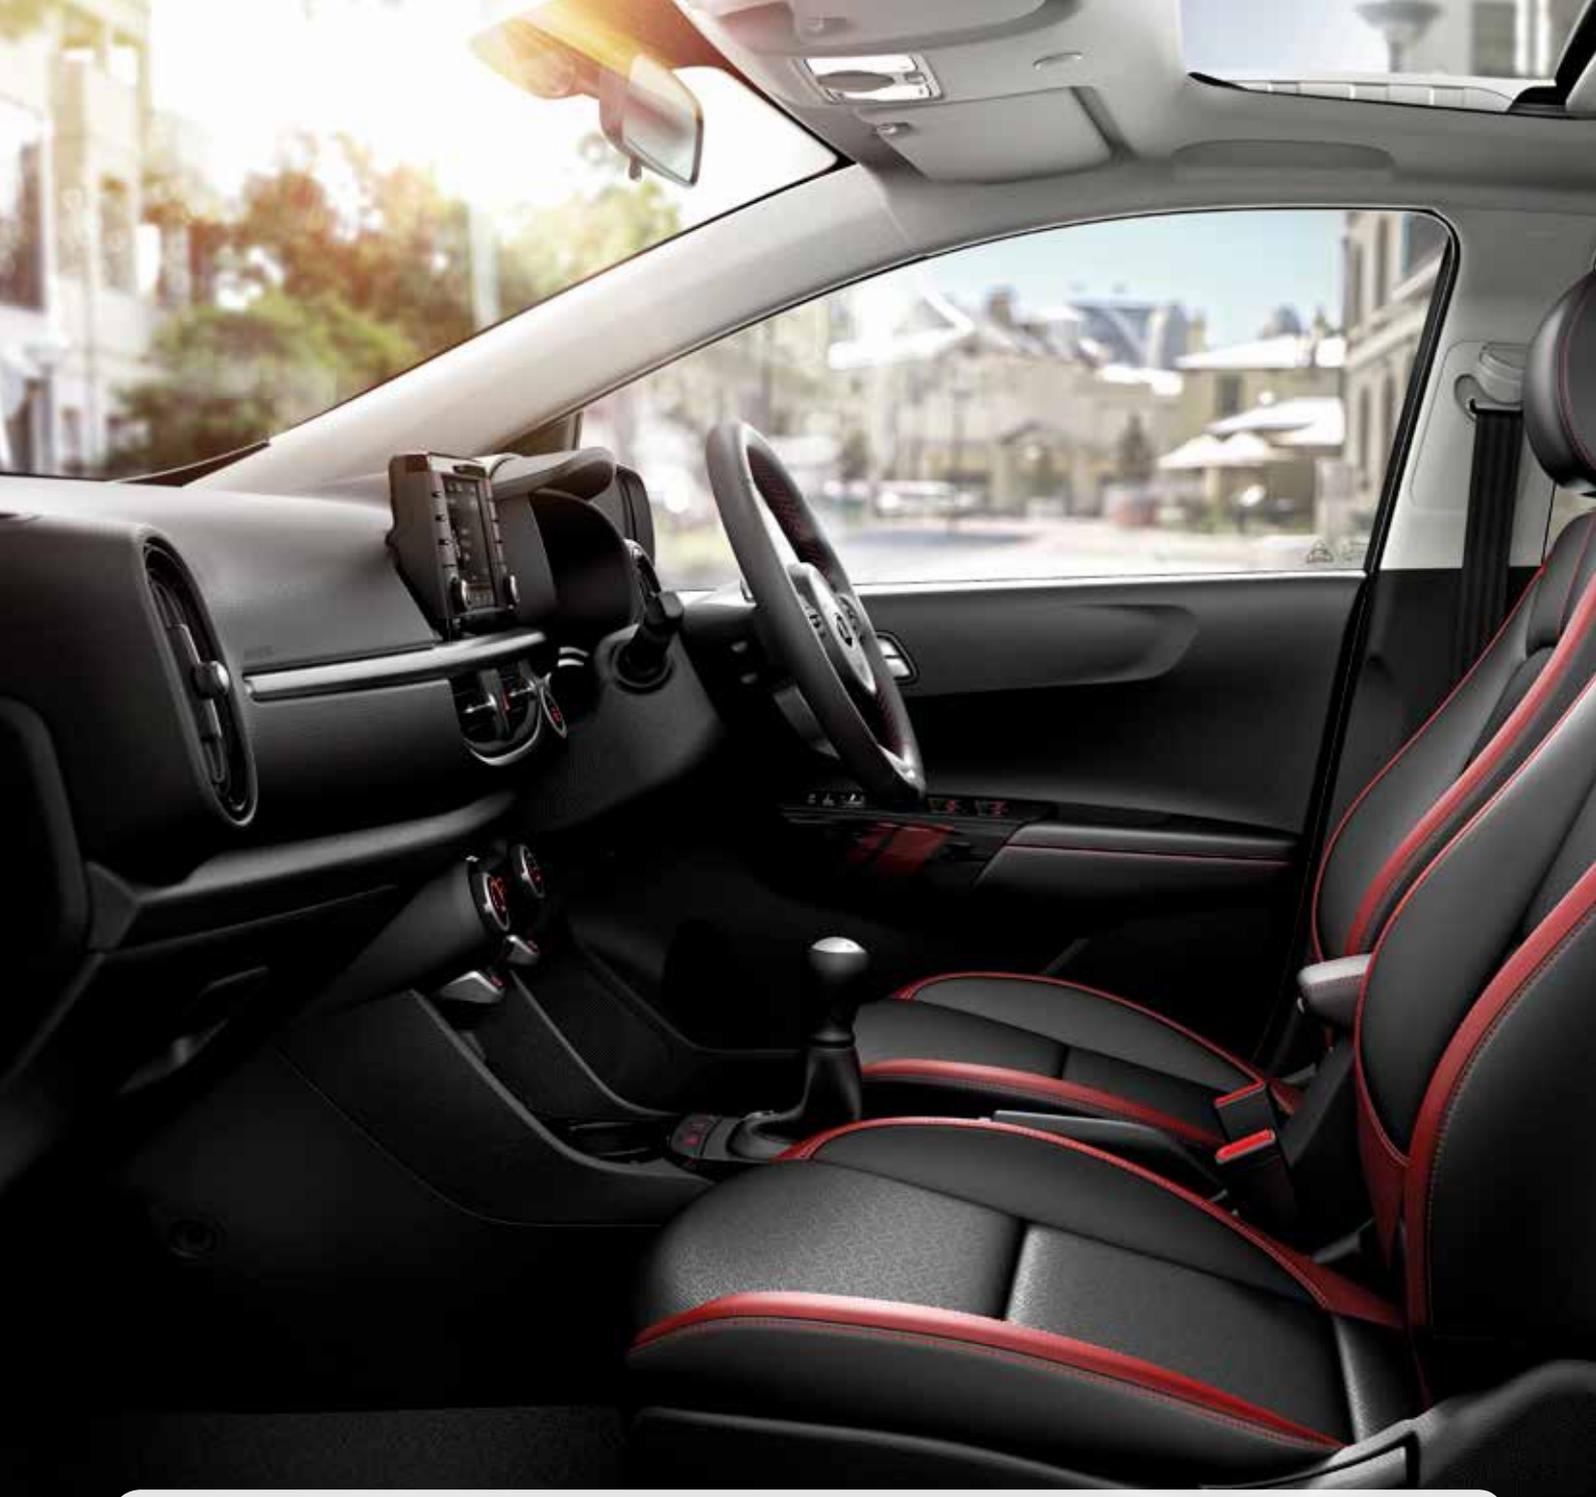

**2.6" Supervision Monochrome Cluster Display:**  
The LCD delivers tyre pressure alerts and other essential vehicle and trip information.

**Bluetooth Hands-free with voice recognition\*:**  
Thanks to built-in Bluetooth® you can pair your compatible mobile devices for music streaming, hands-free calls and navigation.

## More room. More adventures.

The energetic All-New Picanto is ready for anything. With its roomy cabin, versatile folding seats, and outstanding 255 litre luggage capacity, you'll have all the space you need to make the most of every day.

**60:40 split folding rear seats:**  
Enjoy the flexibility of rear seats that split and fold 60:40 to accommodate people or cargo.

**Dual-level luggage board:**  
The cargo area floor board mounts flush with the folded seatbacks, concealing space below for tall objects.

**Double tray:**  
Located below the temperature controls, the double tray is a convenient spot for sunglasses, or audio devices.

**Glove box:**  
With separate sections for your favourite accessories, the glove box keeps you beautifully organised.

**Centre console armrest:**  
The floor-mounted centre console offers convenient additional storage. The adjustable armrest also slides to offer you the perfect position for your arm.

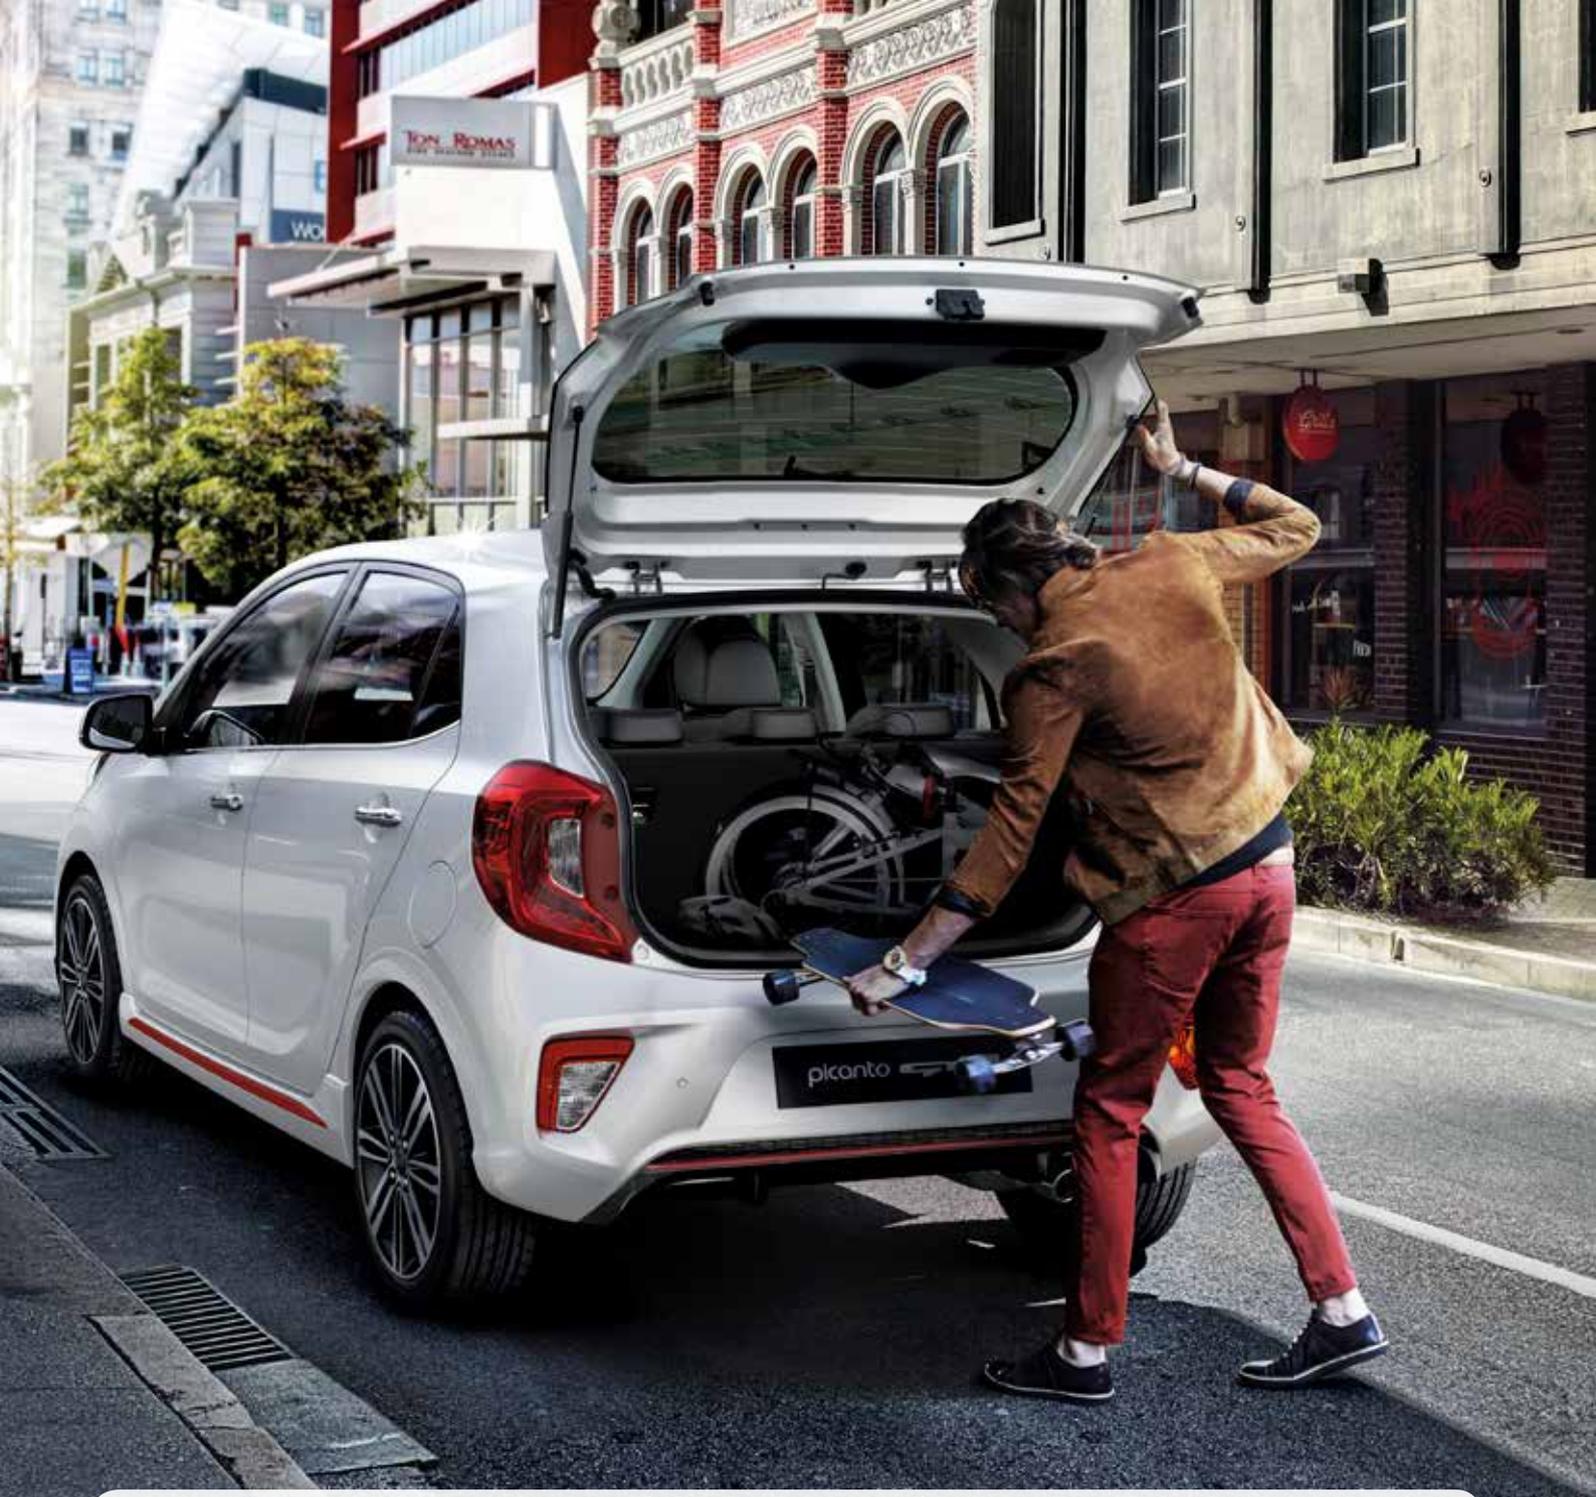

**Front cup holder:**  
Dual cup holders at the front of the console keep your drinks close at hand.

## A car you can count on.

The All-New Picanto's engines are reliable, efficient and perfectly geared for the city.

### Kappa 1.0 MPI Engine

With a CVVT valve-train, the smooth-running, 66 bhp, 1.0-litre MPI engine combines efficiency, power and dynamic performance.

### Kappa 1.25 MPI Engine

The 83 bhp, 1.25-litre, dual-CVVT MPI engine with piston-cooling jets and coated piston rings is feisty and capable, while remaining quiet and efficient.

### Automatic transmission

The 4-speed automatic transmission offers quiet operation and shift points that are set to maximise smoothness – even in stop-and-go city traffic.

### Manual transmission

The 5-speed manual transmission features friction-reduction measures for lasting performance, and lets you select gears quickly.

## Safety first.

The All-New Picanto's active safety features ensure that you always stay alert, informed and forewarned. That means help with everything from squeezing into a parking space to avoiding a collision.

### Reversing camera system with dynamic guidelines

As you reverse into a parking space, the waterproof rear camera will project an image onto the 7" floating display, along with dynamic guidelines to help you into place.

## Uncompromising protection.

The All-New Picanto is serious about keeping you protected. With advanced active safety features and rigorous attention to detail, it's built to offer you full peace of mind

### HAC (Hill-start Assist Control)

When at a standstill on an incline, HAC prevents you from rolling backwards. It gently applies the brakes from the time you lift your foot from the brake pedal, giving you time to switch your foot smoothly to the accelerator.

### ESC (Electronic Stability Control)

ESC ensures optimal braking performance and directional control. It automatically delivers the right amount of braking force to each wheel, based on an evaluation of engine torque and driving conditions.

### Braking system

The brakes are tuned to work with the ABS and tyres to reduce stopping distance, and maximise stopping power and directional control while braking.

### TPMS (Tyre Pressure Monitoring System)

Measuring sidewall stiffness and wheel radius, TPMS alerts you when a tyre needs pressure adjustment, by displaying the information on the cluster screen.

### Body styling kit

Make sure your Picanto is as unique as you are. Now you can make an eye-catching style statement on the road. Add a host of striking design details and colour accents to each side of your Picanto's exterior with this accessories kit, which includes side skirts, a tailgate trim line and door mirror caps. Available in elegant silver, classic piano black and vibrant red. All these products are offered both as a kit and for individual purchase.

## Accessorise in style.

Give your All-New Picanto an edge with a range of functional and styling accessories.

### LED footwell illumination

Give your cabin the red carpet treatment with this premium touch that bathes the front footwell in exquisite ambient light whenever the doors are unlocked, fading out when the engine starts. Available in stylish red and classic white.

### LED door projectors, Kia logo

Make a stylish entrance in the darkness – with subtle yet sharp beams for gorgeous ambient ground lighting, featuring the Kia logo. Automatically activated when the front doors are opened.

### All-weather mats, with colour accent

Whatever adventure you've been on, don't worry about wet, muddy or sandy shoes when you get back in the car. These durable and easy-to-clean floor mats protect the whole of your cabin floor. With a customised shape, Picanto logo in two different colours and fixing points to hold them firmly in place.

### Rear bumper protection foil (transparent)

Enjoy peace of mind when loading and unloading frequently – knowing that the top surface of your rear bumper is reliably protected from possible scrapes and scuffs.

## Attention to detail

**Steering wheel mounted controls**  
Buttons mounted on the steering wheel let you adjust the audio – while keeping your eyes firmly on the road.

**Auto cruise control and speed limiter**  
Set, adjust or cancel the automatic system, with buttons right at your fingertips.

**Electric sunroof**  
Enjoy the breeze with a sunroof that opens and closes smoothly with a simple press of a power button.

**Audio system**  
The compact 3.8" audio system with RDS includes a flat, mono TFT-LCD screen. In addition to radio, it offers connectivity with portable devices through its AUX and USB inputs.

**Automatic Air Conditioning**  
Enjoy one-touch comfort. Just set your preferred temperature, and the automatic system will monitor and maintain it until you change the settings.

**Air conditioning**  
Simple graphics let you choose your temperature and airflow preferences and adjust them as you like. Illuminated icons show you the current settings in the dark.

**Smart key with engine start/stop button**  
The Smart Key remote lets you unlock or lock the doors without a key, and allows you to start the car simply by pushing a button.

**MDPS with tilt steering wheel adjustment**  
Motor-Driven Power Steering simplifies turning, while a tilt steering column you find your perfect driving position.

**AUX and USB ports**  
Connect audio players and mobile devices via USB or mini-RCA cords for playback.

**Stainless steel pedals**  
Racing-inspired stainless steel pedals add to the fun of driving. Raised rubber grips help ensure confident footwork.

**2.6" monochrome cluster display**  
Keep vital information front and centre with the segmented cluster, located between the instrument dials.

**Auto light control**  
Set the stalk ring to Auto and the front and rear lights will turn on or off depending on lighting conditions.

**Body coloured exterior mirrors**  
Get a more luxurious look with body-coloured exterior mirrors. These are also heated, folding and come with integrated LED indicators.

**High-mounted stop lamp**  
From the subtle spoiler above the rear window, the high-mounted stop lamp helps drivers behind you see when you're braking.
